

Humboldt Talent Travel Awards – Application Form

The *Humboldt Talent Travel Awards* allow international Humboldt Universität (HU) research alumni to return to HU for a short stay of **up to two weeks**, and to bring a junior researcher from their home university with them. The travel grant aims to improve networking with academic cooperation partners at HU and to extend one’s own academic contacts to junior researchers. The **maximum grant** is **€5,500**.

The following are primarily, but not exclusively, entitled to receive a grant:

- international HU alumni who are employed at one of the profile partner universities or at a university in one of the HU key partner regions (cf. www.international.hu-berlin.de/de/internationales-profil/partnerschaften); and
- former KOSMOS Fellows (cf. www.international.hu-berlin.de/de/kosmos-programm).

In addition to a completed application form, the research alumni must submit an informal **supporting letter from their academic cooperation partner** at HU.

You are kindly requested to submit an informal **final report** (max. two pages) within four weeks of the completion of your stay.

| Requested funding (total) | EUR | | |

Please note: Unfortunately, the International Strategy Office will not be able to support you regarding the organisation of your journey and your stay at HU.

Humboldt Talent Travel Awards – Application Form

Declaration made by the applicant

I hereby declare that the information stated above is correct.

I agree that, in the event of my application being successful, the continuous texts “Project description” and “Academic profiles” may be used by HU for the following purposes: publishing in digital HU media; print publication in HU information and advertising materials; and current reporting.

On request, I will provide HU with further documents for the preparation and use of other publicity materials regarding my planned stay (e.g. photos and testimonials for the HU website).

I acknowledge that, in the event that I do not begin my stay and/or the junior researcher does not begin their stay, I am obliged to repay the entire grant or the corresponding partial grant.

Date, signature of applicant

If you have any questions regarding the *Humboldt Talent Travel Awards*, please contact Ms. Jennifer Koch (+49-30-2093-20097, int.scholars@hu-berlin.de) at the International Strategy Office.
