

## PROMOTION OF INTERNATIONAL TEACHING AND RESEARCH COLLABORATIONS KOSMOS WORKSHOPS 2018

### FUNDING CRITERIA

#### 1. Content-related funding criteria

- 1.1. Original and scientific-based (interdisciplinary) concept
- 1.2. Potential for scientific innovation
- 1.3. Deepening of existing and development of new international collaborations and partnerships in research and teaching
- 1.4. Sustainability of research and teaching effects of the initiative, e.g. by establishing connections to institutions of Humboldt-Universität zu Berlin
- 1.5. Eligibility for third-party funding

#### 2. Objective specifications and conditions

- 2.1. Concrete and coherent concept
- 2.2. Clear presentation of workshop objectives
- 2.3. Explanation of the methods for the promotion of young researchers

#### 3. Strategic funding criteria

- 3.1. Portrayal of the (possible) involvement of profile partners and / or focal regions
- 3.2. Female main applicant and / or female guest researcher

(These strategic aspects are **not fundamental requirements** for the funding of workshop initiatives. However, they can be incorporated as additional criteria in the assessment of applications.)

<b>Funding criteria</b>	<b>Weighting</b>
<b>1. Content-related funding criteria</b>	<b>60</b>
1.1. Original and scientific-based (interdisciplinary) concept	15
1.2. Potential for scientific innovation	
1.3. Deepening of existing and development of new international collaborations and partnerships in research and teaching	10 15
1.4. Sustainability of research and teaching effects of the initiative, e.g. connection to structures of Humboldt-Universität zu Berlin	10
1.5. Eligibility for third-party funds	10
<b>2. Objective specifications and conditions</b>	<b>40</b>
2.1. Concrete and coherent concept	20
2.2. Clear presentation of workshop objectives	10
2.3. Explanation of the methods for the promotion of young researchers	10
<b>3. Strategic funding criteria (additional points)*</b>	<b>20</b>
3.1. Portrayal of the (possible) involvement of profile partners and / or focal regions	10
3.2. Female main applicant and / or female guest researcher	5 + 5
<b>Total</b>	<b>100</b>
<b>Total incl. additional points*</b>	<b>120</b>

\* The allocation of additional points that can be awarded for the strategic funding criteria is performed by the KOSMOS team at the International Strategy Office. The point allocation and distribution is made transparent to the selection committee in the selection meeting and may be an item of discussion.
