- Dial ***100#** on your phone and
press the button
Or

- Call **1155** and follow the guide

Ortel Mobile GmbH, Gladbecker Strasse 3, 40472 Düsseldorf 1) Standard tariff: Valid from 01.02.2013 and only for SIM cards activated on or after 15.08.2012 • per-minute billing (60/60). • 9 cents/min. plus 9 cents one-off connection charge/call within Germany • from 1 cent/min. plus 15 cents one-off connection charge/call outside Germany • 15 cents/SMS • Voicemail 9 cents/min. plus 9 cents one-off connection charge. • Hotline (1155) free from Ortel Mobile. The options shown here can only be selected using the Ortel PAYG card at the standard rate. The options are automatically renewed at the end of the 30 day period providing there is sufficient credit on the account. If there is insufficient credit at renewal time, the options lapse. They become active again immediately there is sufficient credit on the account. When inclusive units are not available or once they have been used up (the customer is notified of this by SMS) the standard tariff available at the time becomes applicable again. Unused units lapse at the end of each option period. The rate at which inclusive units are used up depends on the charging unit. Options can only be selected once in every 30 day period and can be cancelled by calling 1155. These options cannot be combined with all the other options. 2) Internet-FLAT 3GB: Option at €14.90/30 days only available using Ortel PAYG card activated on or after 14.08.12. • Max. bandwidth of up to 7.2 mbit/s available for data volumes up to 3 MB per option period; thereafter GPRS bandwidth (max. 56 kbit/s). • Applies in respect of packet-switched data on the E-Plus, UMTS and GPRS networks, excluding roaming and calls outside Germany. • Voice over IP (VoIP) is not permitted. • Charging unit: 10 KB.
